

Bentley Institute Learn Conference  
**ProjectWise for Going Digital**  
 Las Vegas, Nevada | March 19-20, 2018

**Monday, March 19, 2018**

Registration and Breakfast			Location
All Tracks	7:00 a.m. - 5:00 p.m.	Registration and Information Desk Open	Staten Island Foyer
All Tracks	7:30 a.m. - 8:30 a.m.	Breakfast	Staten Island
Keynotes			Location
All Tracks	8:30 a.m. - 9:30 a.m.	<b>ProjectWise for Going Digital</b> BIM and other digital innovations have proved beneficial in the public sector and are now reshaping competition in the private sector. Learn how ProjectWise helps you cut through the hype, make smart investments, and lead your organization into the digital project delivery era. <i>Mike Schellhase, Vice President, Software Development, Bentley Systems</i>	Staten Island
Morning Break			Location
All Tracks	9:30 a.m. - 10:00 a.m.	Morning Break	Staten Island
Session Block 1.1			Location
Project Leadership	10:00 a.m. - 10:50 a.m.	<b>Realize the Benefits of ProjectWise CONNECT Edition</b> ProjectWise CONNECT Edition represents a generational change in capabilities and licensing that enables increased productivity and opportunity for reduction in total cost of ownership. This session illustrates how and where these benefits accrue to your projects and enterprise. <i>Gary Cochrane, Senior Director, Success Management, Bentley Systems</i>	Midtown
ProjectWise Administration	10:00 a.m. - 10:50 a.m.	<b>Simplify Administration with ProjectWise CONNECT Edition</b> Ready to save time and level-up your ProjectWise administration? Learn how the PowerShell capability in ProjectWise Administrator CONNECT Edition helps you quickly configure projects, manage users and access control, and connect your users to ProjectWise cloud services. <i>Marty Nickel, Senior Systems Architect, Bentley Systems</i>	Union Square
Hands-on Training	10:00 a.m. - 11:50 a.m.	<b>Configuring Your ProjectWise Project</b> Did you know that ProjectWise Projects are the doorway to ProjectWise cloud services for digital collaboration? Learn how to create ProjectWise Projects in the Connection Center, link them to Work Areas in Design Integration, manage participants, and enable services. <i>Bobby Mullenax, Solution Consultant, Bentley Systems</i>	Park Terrace
Project Leadership	11:00 a.m. - 11:50 a.m.	<b>Advance Your Design Worksharing Maturity</b> Is your organization leading or lagging in its use of design worksharing best practices? Learn about a data analytics approach to assess and improve your design worksharing maturity. Learn how leading firms increase margins, improve design quality, and reduce risks. <i>Victor Alvarez, Senior Manager, Product Marketing, Bentley Systems</i>	Midtown
ProjectWise Administration	11:00 a.m. - 11:50 a.m.	<b>What's New in ProjectWise</b> Are you helping your project teams fully exploit ProjectWise? Learn how ProjectWise continues to advance well beyond work-in-progress document management. Catch up on the latest updates and services to connect the entire project team with digital workflows. <i>Bill McNamara, Director, Product Management, Bentley Systems</i>	Union Square
Lunch			Location
All Tracks	12:00 p.m. - 1:00 p.m.	Networking Luncheon	Staten Island
Session Block 1.2			Location
Project Leadership	1:00 p.m. - 1:50 p.m.	<b>User Presentation – Realizing a Vision: A Digital Collaboration Story</b> Learn how IBI Group uses ProjectWise to implement a cloud-based strategy for virtual, collaborative, multi-disciplinary 3D BIM workflows. See how their ProjectWise enables 'live' linking between project BIM data and an asset "management as a service" digital platform. <i>Brent Mauti, Global Director, Design Technology, IBI Group</i> <i>Trang Tran, BIM Collaboration Specialist, IBI Group</i>	Midtown
ProjectWise Administration	1:00 p.m. - 1:50 p.m.	<b>User Presentation - Automatic ProjectWise Performance Benchmarking</b> Learn how CDM Smith, a ProjectWise user for almost 15 years, implemented performance benchmarking to objectively address user reported problems, identify network and IT infrastructure needs, and measure the benefits of IT investments. <i>Andrew King, Manager of Software Systems, CDM Smith</i>	Union Square
Hands-on Training	1:00 p.m. - 2:50 p.m.	<b>Configuring and Using ProjectWise Deliverables Management Service</b> Did you know you can save time and mitigate risk on your projects by seamlessly integrating your deliverables workflows with your larger ProjectWise connected data environment? Learn how to provision and leverage Deliverables Management across your project teams. <i>Adrian Crowfoot, Senior Consultant, Bentley Systems</i>	Park Terrace
Project Leadership	2:00 p.m. - 2:50 p.m.	<b>Achieve Digital Supply Chain Collaboration with ProjectWise Connection Services</b> Your ProjectWise investment includes integrated cloud services that can improve the speed, quality, and integrity of your supply chain collaboration. Learn how your projects can use these services to improve project performance by automating and securing supplier workflows. <i>Brian Glaser, Application Engineer, Bentley Systems</i>	Midtown

ProjectWise Administration	2:00 p.m. - 2:50 p.m.	<b>Start Your Next Project in the Cloud</b> Help project teams start faster and increase collaboration with cloud hosting - a no-cost benefit of ProjectWise CONNECT Edition. Learn how the security and reliability of the Azure Cloud and the substantial IT cost savings makes hosting projects in the cloud a smart choice. <i>Marty Nickel, Senior Systems Architect, Bentley Systems</i>	Union Square
<b>Afternoon Break</b>			<b>Location</b>
All Tracks	3:00 p.m. - 3:20 p.m.	Afternoon Break	Staten Island
<b>Session Block 1.3</b>			<b>Location</b>
Project Leadership	3:20 p.m. - 4:10 p.m.	<b>Advance the Speed and Quality of Your BIM Collaboration</b> Learn how ProjectWise helps you connect designers, contractors, clients, and stakeholders to identify issues sooner and increase program assurance. Preview new technologies to advance digital collaboration with web-based BIM review and the ability to understand change. <i>Rob Riley, Senior Consultant, Bentley Systems</i>	Midtown
ProjectWise Administration	3:20 p.m. - 4:10 p.m.	<b>Configuring Your Project for Success</b> Increase the value you deliver to your projects by understanding the power of a fully configured ProjectWise Work Area. Learn how resource definitions, permissions, workflows, standards, and more promote increased collaboration, efficiency, and consistency. <i>Phil Conard, Product Manager, Bentley Systems</i>	Union Square
Hands-on Training	3:20 p.m. - 4:10 p.m.	<b>Configuring Advanced Revit Integration</b> Are your Revit users working outside of ProjectWise? Learn how to configure the new Advanced Revit Integration to enable Revit users to quickly and easily stay in sync with the entire project without changing their workflows or reducing Revit application performance. <i>Bobby Mullenax, Solution Consultant, Bentley Systems</i>	Park Terrace
Project Leadership	4:20 p.m. - 5:10 p.m.	<b>DoT Seminar – Enhancing Control and Efficiency Across Your Supply Chain</b> Transportation agencies are increasing their supply chain collaboration efficiency with ProjectWise CONNECT Edition. Learn how to use Deliverables Management and other cloud services to save time, improve control, and increase the transparency of contractual exchanges with suppliers. <i>Rimantas Varanavicius, Director of Product Management, Bentley Systems</i>	Midtown
ProjectWise Administration	4:20 p.m. - 5:10 p.m.	<b>User Presentation - ProjectWise ICS Renditions Using “Micro” Managed Client Workspaces</b> Learn how WSP innovatively addressed the challenge of client-supplied standards that are not amenable to a ProjectWise Managed Workspace. Learn what works and what doesn't in these situations so you can ensure standards compliance on all of your projects. <i>Tiny Fred Babin, ProjectWise System Administrator, WSP</i>	Union Square
Hands-on Training	4:20 p.m. - 5:10 p.m.	<b>ENCORE: Configuring Advanced Revit Integration</b> Are your Revit users working outside of ProjectWise? Learn how to configure the new Advanced Revit Integration to enable Revit users to quickly and easily stay in sync with the entire project without changing their workflows or reducing Revit application performance. <i>Bobby Mullenax, Solution Consultant, Bentley Systems</i>	Park Terrace
<b>Networking Reception</b>			<b>Location</b>
All Tracks	5:20 p.m. - 7:00 p.m.	Networking Reception	Staten Island
<b>Tuesday, March 20, 2018</b>			
<b>Registration and Breakfast</b>			<b>Location</b>
All Tracks	7:00 a.m. - 4:00 p.m.	Registration and Information Desk Open	Staten Island Foyer
All Tracks	7:00 a.m. - 8:00 a.m.	Breakfast	Staten Island
<b>Keynote</b>			<b>Location</b>
All Tracks	8:00 a.m. - 8:50 a.m.	<b>Advancing Project Collaboration: Office 365 Integration and iModelHub</b> With growing project complexity, increasing competition, and a near-constant flow of new digital technologies, how do you keep your firm at the forefront of industry best practices? Learn about emerging ProjectWise collaboration advancements that will keep you in the lead. <i>Mike Schellhase, Vice President, Software Development, Bentley Systems</i> <i>Bill McNamara, Director, Product Management, Bentley Systems</i>	Staten Island
<b>Session Block 2.1</b>			<b>Location</b>
Project Leadership	9:00 a.m. - 9:50 a.m.	<b>Increase Project Speed and Quality with Digital Workflows for Project Deliverables</b> Are your projects wasting time and incurring risk with manual or disjointed workflows for deliverables? Learn how your ProjectWise investment enables automatic production and tracking of deliverables to save time, increase quality, and defend against claims. <i>Brian Glaser, Application Engineer, Bentley Systems</i>	Midtown
ProjectWise Administration	9:00 a.m. - 9:50 a.m.	<b>Under the Hood of ProjectWise Office 365 Integration</b> The new integration between ProjectWise and Office 365 will transform how your projects collaborate. Prepare yourself to guide and facilitate successful adoption by learning how to configure and use specific integrations with Microsoft Flow, SharePoint, and Teams. <i>Audrius Pundzevicius, Product Manager, Bentley Systems</i>	Union Square
Hands-on Training	9:00 a.m. - 9:50 a.m.	<b>Configuring Your ProjectWise Work Area for Success - Part 1 of 2</b> Learn best practices for configuring ProjectWise Work Areas to help your project teams achieve increased collaboration, efficiency, and consistency. This two-part workshop trains you how to configure resource definitions, permissions, workflows, standards, and more. <i>Adrian Crowfoot, Senior Consultant, Bentley Systems</i>	Park Terrace

Morning Break			Location
All Tracks	10:00 a.m. - 10:20 a.m.	Morning Break	Staten Island
Session Block 2.2			Location
Project Leadership	10:30 a.m. - 11:20 a.m.	<p><b>Track Progress, Manage Change, and Avoid Delays with Project Insights</b></p> <p>Did you know ProjectWise can provide you the real-time project intelligence to anticipate issues and avoid delays? Learn how to leverage information from ProjectWise into actionable insights and then gain even deeper insights with mashups using other enterprise data sources.</p> <p><i>Arnar Agustsson, Technical Manager, Bentley Systems</i></p>	Midtown
ProjectWise Administration	10:30 a.m. - 11:20 a.m.	<p><b>Advancing Collaboration with ProjectWise Share</b></p> <p>ProjectWise Share offers a new and secure way to access project information and share project files with external project participants. Learn how to start benefiting from Share today and the about the exciting enhancements on the way.</p> <p><i>Ranveer Basra, Product Manager, Bentley Systems</i></p>	Union Square
Hands-on Training	10:30 a.m. - 12:20 p.m.	<p><b>Configuring Your ProjectWise Work Area for Success - Part 2 of 2</b></p> <p>Learn best practices for configuring ProjectWise Work Areas to help your project teams achieve increased collaboration, efficiency, and consistency. This two-part workshop trains you how to configure resource definitions, permissions, workflows, standards, and more.</p> <p><i>Adrian Crowfoot, Senior Consultant, Bentley Systems</i></p>	Park Terrace
Project Leadership	11:30 a.m. - 12:20 p.m.	<p><b>User Presentation – Standardizing Digital Collaboration for the Enterprise</b></p> <p>Learn how Stantec is integrating and coordinating all ProjectWise deployments to drive the consistent use of best practices and address a rapidly growing user population. Hear how Stantec is leveraging cloud-hosting and cloud services to advance their digital collaboration.</p> <p><i>Kirk Peterson, Senior Application Technologist, Stantec</i></p>	Midtown
ProjectWise Administration	11:30 a.m. - 12:20 p.m.	<p><b>User Presentation - Simplify Administration and Enhance Security with Federated Accounts</b></p> <p>Learn how Burns &amp; McDonnell federated their Bentley and Office 365 accounts to eliminate supplier account management, improve user productivity with single sign-on, and leverage Active Directory groups, enterprise password standards, and multi-factor authentication in ProjectWise.</p> <p><i>Marty Price, Senior Application Specialist, Burns &amp; McDonnell Engineering, Inc.</i></p>	Union Square
Lunch			Location
All Tracks	12:20 p.m. - 1:20 p.m.	Lunch	Staten Island
Session Block 2.3			Location
Project Leadership	1:30 p.m. - 2:20 p.m.	<p><b>Managing Engineering Information through Procurement and Construction</b></p> <p>ProjectWise is not just for design and engineering. Learn how to digitize collaboration and information management across the project lifecycle with ProjectWise capabilities for bid management and construction management.</p> <p><i>Arnar Agustsson, Technical Manager, Bentley Systems</i></p>	Midtown
ProjectWise Administration	1:30 p.m. - 2:20 p.m.	<p><b>ProjectWise Roadmap</b></p> <p>Do you want to know what is next for ProjectWise? Do you want to share your thoughts on our development plans? Then don't miss this discussion! Learn how we will to continue advancing ProjectWise to innovatively meet your project delivery needs.</p> <p><i>Mike Schellhase, Vice President, Software Development, Bentley Systems</i>  <i>Bill McNamara, Director, Product Management, Bentley Systems</i></p>	Union Square
Hands-on Training	1:30 p.m. - 2:20 p.m.	<p><b>Configuring and Using ProjectWise Issues Resolution Service</b></p> <p>Are your projects managing issues manually or within data silos created by expensive third-party software? Learn how to configure ProjectWise Issues Resolution to help your project teams save time, minimize project delays, and maintain a connected data environment.</p> <p><i>Bobby Mullenax, Solution Consultant, Bentley Systems</i></p>	Park Terrace
Project Leadership	2:30 p.m. - 3:20 p.m.	<p><b>1-on-1 Discussions with Bentley Leadership</b></p> <p>Request and schedule in advance at the information desk.</p>	Midtown
All Tracks	2:30 p.m. - 3:20 p.m.	<p><b>Ask the ProjectWise Experts - Panel Q&amp;A</b></p> <p>It is not often that you get so many ProjectWise experts in a room! Seize the opportunity by joining Bentley colleagues and your peers for a question and answer session.</p> <p><i>Bentley Product Management and Technical Services Teams</i></p>	Staten Island
All Tracks	3:30 p.m. - 4:00 p.m.	<p><b>Formulating Your Action Plan for Digital Project Delivery</b></p> <p>Become an agent of change and help your organization advance its digital project delivery initiative! Learn how to convert your two days of fantastic learning into a practical and realizable plan that can quickly deliver tangible benefits to project efficiency and quality.</p> <p><i>Al Gray, Vice President, Product Success, Bentley Systems</i></p>	Staten Island
