

Bentley Institute Learn Conference  
**ProjectWise for Going Digital**  
 Sydney | August 7-8, 2018

**Tuesday, August 7, 2018**

Registration and Breakfast			Location
All Tracks	8:00 a.m. - 5:00 p.m.	Registration and Information Desk Open	Grand Ballroom – Level 1
All Tracks	8:00 a.m. - 9:00 a.m.	Breakfast	Grand Ballroom – Level 1
Keynotes			Location
All Tracks	9:00 a.m. - 9:50 a.m.	<p><b>ProjectWise for Going Digital</b></p> <p>Digital innovations have proved beneficial in the public sector and are now reshaping competition in the private sector. Learn how ProjectWise helps you cut through the hype, make smart investments, and become a leader in the digital project delivery era.</p> <p><i>Al Gray, Vice President, Product Success, Bentley Systems</i>  <i>Paul King, Solution Director, Bentley Systems</i></p>	Grand Ballroom – Level 1
Session Block 1.1			Location
Project Leadership	10:00 a.m. - 10:50 a.m.	<p><b>Going Digital in Transportation</b></p> <p>Explore the trends and drivers affecting the road and rail industries today, and learn how the latest technology from Bentley, including OpenRoads, OpenRail, and our connected data environment, can liberate your data, connect your multi-discipline teams, and enable high-performance digital workflows within your projects.</p> <p><i>Paul King, Solution Director, Bentley Systems</i></p>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	10:00 a.m. - 10:50 a.m.	<p><b>Simplify Administration with ProjectWise CONNECT Edition</b></p> <p>Ready to save time and level-up your ProjectWise administration? Learn how the PowerShell capability in ProjectWise Administrator CONNECT Edition helps you quickly configure projects, manage users and access control, and connect your users to ProjectWise cloud services.</p> <p><i>Zach Kerr, System Architect, Bentley Systems</i></p>	Stanley Room – Level 2
Hands-on Training	10:00 a.m. - 11:50 a.m.	<p><b>Configuring Your ProjectWise Project</b></p> <p>Did you know that ProjectWise Projects are the doorway to ProjectWise cloud services for digital collaboration? Learn how to create ProjectWise Projects in the Connection Center, link them to Work Areas in Design Integration, manage participants, and enable services.</p> <p><i>Mumtaz Jeevaji, Senior Consultant, Bentley Systems</i></p>	Grand Ballroom – Level 1
Project Leadership	11:00 a.m. - 11:50 a.m.	<p><b>Advance Your Design Worksharing Maturity</b></p> <p>Is your organization leading or lagging in its use of design worksharing best practices? Learn about a data analytics approach to assess and improve your design worksharing maturity. Learn how leading firms increase margins, improve design quality, and reduce risks.</p> <p><i>Al Gray, Vice President, Product Success, Bentley Systems</i></p>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	11:00 a.m. - 11:50 a.m.	<p><b>What's New in ProjectWise</b></p> <p>Are you helping your project teams fully exploit ProjectWise? Learn how ProjectWise continues to advance well beyond work-in-progress document management. Catch up on the latest updates and services to connect your entire team with digital workflows.</p> <p><i>Paul King, Solution Director, Bentley Systems</i></p>	Stanley Room – Level 2
Lunch			Location
All Tracks	12:00 p.m. - 1:00 p.m.	Networking Luncheon	Season's Café – Level 1
Session Block 1.2			Location
Project Leadership	1:00 p.m. - 1:50 p.m.	<b>User Presentation: To Be Announced</b>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	1:00 p.m. - 1:50 p.m.	<p><b>User Presentation: Optimizing Arup's Common Data Environment</b></p> <p>For over a decade, ProjectWise has helped Arup Australasia deliver hundreds of multi-million-dollar infrastructure projects. As the basis of Arup's Common Data Environment, ProjectWise accommodates over 20 standards and integrates with numerous applications while supporting more than 3,200 internal and external users. Learn how Arup utilizes the extensibility and automation enabled by the ProjectWise SDK and PowerShell to optimize their fast growing CDE.</p> <p><i>Brent Goreham, Senior ProjectWise Administrator, Arup Australasia</i></p>	Stanley Room – Level 2
Hands-on Training	1:00 p.m. - 2:50 p.m.	<p><b>Configuring and Using ProjectWise Deliverables Management Service</b></p> <p>Did you know you can save time and mitigate risk on your projects by seamlessly integrating your deliverables workflows with your larger ProjectWise connected data environment? Learn how to provision and leverage Deliverables Management across your project teams.</p> <p><i>Mumtaz Jeevaji, Senior Consultant, Bentley Systems</i></p>	Grand Ballroom – Level 1
Project Leadership	2:00 p.m. - 2:50 p.m.	<p><b>Achieve Digital Supply Chain Collaboration with ProjectWise Connection Services</b></p> <p>Your ProjectWise investment includes integrated cloud services that can improve the speed, quality, and integrity of your supply chain collaboration. Learn how your projects can use these services to improve project performance by automating and securing supplier workflows.</p> <p><i>Andrey Torgunov, Application Engineer, Bentley Systems</i></p>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	2:00 p.m. - 2:50 p.m.	<p><b>Start Your Next Project in the Cloud</b> (<i>encore session at 4:20 p.m.</i>)</p> <p>Help project teams start faster and increase collaboration with cloud hosting - a no-cost benefit of ProjectWise CONNECT Edition. Learn how the security and reliability of the Azure Cloud and substantial IT cost savings makes cloud hosting a smart choice.</p> <p><i>Zach Kerr, System Architect, Bentley Systems</i></p>	Stanley Room – Level 2
Afternoon Break			Location
All Tracks	3:00 p.m. - 3:20 p.m.	Afternoon Break	Grand Ballroom – Level 1

Session Block 1.3			Location
Project Leadership	3:20 p.m. - 4:10 p.m.	<b>Track Progress, Manage Change, and Avoid Delays with Project Insights</b> Did you know ProjectWise can provide you the real-time project intelligence to anticipate issues and avoid delays? Learn how to leverage information from ProjectWise into actionable insights and then gain even deeper insights with mashups using other enterprise data sources. <i>Ben Louch, Consultant, Bentley Systems</i>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	3:20 p.m. - 4:10 p.m.	<b>Configuring Your Project for Success</b> Increase the value you deliver to your projects by understanding the power of a fully configured ProjectWise Work Area. Learn how resource definitions, permissions, workflows, standards, and more increase collaboration, efficiency, and consistency. <i>Mumtaz Jeevaji, Senior Consultant, Bentley Systems</i>	Stanley Room – Level 2
Hands-on Training	3:20 p.m. - 4:10 p.m.	<b>Configuring Advanced Revit Integration</b> Are your Revit users working outside of ProjectWise? Learn how to configure the new Advanced Revit Integration to enable Revit users to easily stay in sync with the entire project without changing their workflows or reducing Revit application performance. This is a demonstration session with live questions and answers. <i>Andrey Torgunov, Application Engineer, Bentley Systems</i>	Grand Ballroom – Level 1
Project Leadership	4:20 p.m. - 5:10 p.m.	<b>User Presentation: To Be Announced</b>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	4:20 p.m. - 5:10 p.m.	<b>ENCORE: Start Your Next Project in the Cloud</b> Help project teams start faster and increase collaboration with cloud hosting - a no-cost benefit of ProjectWise CONNECT Edition. Learn how the security and reliability of the Azure Cloud and substantial IT cost savings makes cloud hosting a smart choice. <i>Zach Kerr, System Architect, Bentley Systems</i>	Stanley Room – Level 2
Hands-on Training	4:20 p.m. - 5:10 p.m.	<b>Configuring and Using ProjectWise Issues Resolution Service</b> Are your projects managing issues manually or within data silos created by third-party software? Learn how to configure ProjectWise Issues Resolution to help your project teams save time, minimize delays, and maintain a connected data environment. <i>Ranveer Basra, Product Manager, Bentley Systems</i>	Grand Ballroom – Level 1
Networking Reception			Location
All Tracks	5:20 p.m. - 7:00 p.m.	Networking Reception	Twenty Five – Level 25
Wednesday, August 8, 2018			
Registration and Breakfast			Location
All Tracks	8:00 a.m. - 5:00 p.m.	Registration and Information Desk Open	Grand Ballroom – Level 1
All Tracks	8:00 a.m. - 9:00 a.m.	Breakfast	Grand Ballroom – Level 1
Keynote			Location
All Tracks	9:00 a.m. - 9:50 a.m.	<b>Advancing Project Collaboration: Office 365 Integration and iModelHub</b> With growing project complexity, increasing competition, and a near-constant flow of new digital technologies, how do you keep your firm at the forefront of industry best practices? Learn about emerging ProjectWise collaboration advancements that will keep you in the lead. <i>Audrius Pundzevicius, Product Manager, Bentley Systems</i>	Grand Ballroom – Level 1
Session Block 2.1			Location
Project Leadership	10:00 a.m. - 10:50 a.m.	<b>Increase Project Speed and Quality with Digital Workflows for Project Deliverables</b> Are your projects wasting time and incurring risk with manual or disjointed workflows for deliverables? Learn how ProjectWise enables automatic production and tracking of deliverables to save time, increase quality, and defend against claims. <i>Andrey Torgunov, Application Engineer, Bentley Systems</i>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	10:00 a.m. - 10:50 a.m.	<b>Under the Hood of ProjectWise Office 365 Integration</b> The new integration between ProjectWise and Office 365 will transform how your projects collaborate. Prepare yourself to guide and facilitate successful adoption by learning how to configure and use specific integrations with Microsoft Flow, SharePoint, and Teams. <i>Audrius Pundzevicius, Product Manager, Bentley Systems</i>	Stanley Room – Level 2
Hands-on Training	10:00 a.m. - 10:50 a.m.	<b>Configuring Your ProjectWise Work Area for Success - Part 1 of 2</b> Learn best practices for configuring ProjectWise Work Areas to help your project teams achieve increased collaboration and consistency. This two-part workshop trains you how to configure resource definitions, permissions, workflows, standards, and more. <i>Mumtaz Jeevaji, Senior Consultant, Bentley Systems</i>	Grand Ballroom – Level 1
Morning Break			Location
All Tracks	11:00 a.m. - 11:20 a.m.	Morning Break	Grand Ballroom – Level 1
Session Block 2.2			Location
Project Leadership	11:30 a.m. - 12:20 p.m.	<b>Advance the Speed and Quality of Your BIM Collaboration</b> Learn how ProjectWise helps you connect designers, contractors, clients, and stakeholders to identify issues sooner and increase program assurance. Preview new technologies to advance digital collaboration with web-based BIM review and the ability to understand change. <i>Andrey Torgunov, Application Engineer, Bentley Systems</i>	Robinson/William Room – Mezzanine Level
ProjectWise Administration	11:30 a.m. - 12:20 p.m.	<b>Advancing Collaboration with ProjectWise Share</b> ProjectWise Share offers a new and secure way to access project information and share project files with external project participants. Learn how to start benefiting from Share today and the about the exciting enhancements on the way. <i>Ranveer Basra, Product Manager, Bentley Systems</i>	Stanley Room – Level 2
Hands-on Training	11:30 a.m. - 12:20 p.m.	<b>Configuring Your ProjectWise Work Area for Success - Part 2 of 2</b> Learn best practices for configuring ProjectWise Work Areas to help your project teams achieve increased collaboration and consistency. This two-part workshop trains you how to configure resource definitions, permissions, workflows, standards, and more. <i>Mumtaz Jeevaji, Senior Consultant, Bentley Systems</i>	Grand Ballroom – Level 1
Lunch			Location
All Tracks	12:30 p.m. - 1:30 p.m.	Lunch	Season's Café – Level 1
Session Block 2.3			Location

All Tracks	1:40 p.m. - 2:30 p.m.	<p><b>ProjectWise Roadmap</b>  Do you want to know what is next for ProjectWise? Do you want to share your thoughts on our development plans? Then don't miss this discussion! Learn how we will to continue advancing ProjectWise to innovatively meet your project delivery needs.  <i>Audrius Pundzevicius, Product Manager, Bentley Systems</i></p>	Grand Ballroom – Level 1
All Tracks	2:40 p.m. - 3:30 p.m.	<p><b>Ask the ProjectWise Experts - Panel Q&amp;A</b>  It's not often that you get so many ProjectWise experts in a room! Seize the opportunity by joining Bentley colleagues and your peers for a question and answer session.  <i>Bentley Product Management and Technical Services Teams</i></p>	Grand Ballroom – Level 1
All Tracks	3:30 p.m. - 4:00 p.m.	<p><b>Formulating Your Action Plan for Digital Project Delivery</b>  Become an agent of change and help your organization advance its digital project delivery initiative! Learn how to convert your two days of fantastic learning into a practical and realizable plan that can quickly deliver tangible benefits to project efficiency and quality.  <i>Al Gray, Vice President, Product Success, Bentley Systems</i></p>	Grand Ballroom – Level 1
<b>Conference Concludes</b>
