You agree not to send your unsolicited ideas or any original creative artwork, samples, demos, or other works to Bentley. All materials sent to Bentley despite the foregoing will become Bentley’s property and you agree that all intellectual property rights therein are transferred to Bentley.

Your breach of these Terms shall result in immediate termination of this agreement and the Services.

13. Local laws; Export Control
The Services are subject to the export control laws, rules, regulations, restrictions and national security controls of the United States and other agencies or authorities based outside of the United States (the "Export Controls"). 17. **Government End Users**

The Services, the Software and related documentation are “Commercial Items” consisting of “Commercial Computer Software” and “Commercial Computer Software Documentation” as such terms are defined in the Federal Acquisition Regulations (“FAR”) at 48 CFR 2.101, developed exclusively with private funds. Consistent with 48 CFR 12.212, and the comparable DFAR in the DoD FAR Supp. at 227.7202-1 through 227.7202-4, the Services and the Software are licensed to you only
as Commercial Software and only with the rights and obligations granted to public users generally as set forth above in these Terms. Notwithstanding any other FAR, DFAR or other contractual provision into which these Terms may be incorporated, any government end user acquires the rights to use the Services, the Software and related documentation only as set forth in these Terms. The Services and the Software are accessed and acquired under the specific terms and conditions set forth herein. If any portion of the Services or the Software is deemed “non-commercial,” or the following FARs or DFARs are deemed to apply, the Services and the Software are licensed under the terms hereof and under the RESTRICTED RIGHTS set forth in 48 CFR 52.227-19 and DFAR 252.227-7014 (and the government’s use, duplication and disclosure rights are restricted as set forth therein).

Any cause of action you may have with respect to the Services must be commenced within one (1) year after the claim or cause of action arises or such claim or cause of action is barred. These Terms create no third party beneficiary rights. Bentley’s failure to exercise any of its rights under or to enforce any provision of these Terms will not be deemed a waiver or forfeiture of such rights or ability to enforce such provision. The provisions of these Terms shall be deemed to be separable and the invalidity of any provision hereof shall not affect the validity of the remainder of these Terms. Neither a course of dealing or conduct between you and Bentley nor any trade practice will be deemed to modify these Terms. You may not assign any of your rights set forth in these Terms, and any such attempt is void, but Bentley may assign its rights to any of its affiliates or subsidiaries, or to any successor in interest of any business associated with the Services.
