

## CALLING ALL BENTLEY USERS!

You are invited to nominate a project for the *Year In Infrastructure 2019 Awards!*

The *Year in Infrastructure Awards* is an exciting and well-regarded global competition that recognizes the “going digital” advancements in infrastructure design, construction, and operations. Since 2004, the Awards program has recognized more than 3,400 of the world’s most outstanding infrastructure projects.

### Top reasons to nominate your project

Nominating your project is the first step toward gaining global recognition for your infrastructure project. Take a look at the benefits and rewards of becoming a nominee, finalist, and winner.

- WINNERS
