Participants get…

Global Recognition
Projects are profiled in Bentley’s Infrastructure Yearbook that’s distributed globally to 150,000+ key media, government, and industry influencers.

Press Coverage
At the Conference, users interact one-on-one with 100+ members of the media. Bentley also pitches projects to press, and issues press releases.

Networking Opportunities
Finalists present their projects at the Conference in front of their peers, the media, and industry leaders.
And a sponsored trip to Vancouver!

3 Finalists from each category are chosen for participation in the *Year in Infrastructure* Conference and present their projects before the judges and conference attendees.
Finalists present as part of the main agenda of the Conference
Get awesome opportunities to network with LOTS of interested people!
Winners are announced at the Gala Dinner
